

Letters from Santa Fundraiser

**Imagine your child's excitement when getting a
letter from Santa Claus!**

The American Cancer Society has partnered with Santa to bring some magic to your holidays!

If you'd like **Santa Claus** to write your child a letter, he asks that you donate \$10.00 to the American Cancer Society through your local Relay For Life event. This could also make a great gift for a niece, nephew, cousin or any other child in your life. Best of all, the proceeds from these letters will help those affected by cancer. You will then receive a personalized letter addressed to your child, before December 24th.

Parents/Guardians: Please note that Santa won't *promise* the child they will get all of the gifts on their list. Please fill out attached form with as much information as you would like to include. Feel free to include any other relevant information you would **Santa Claus** to mention!

Orders will be accepted until December 16th
Letters will be mailed by December 18th

Please note if your donation should benefit a Relay For Life event, team and/or participant at the bottom of the attached form.

For questions, email ACSlettersfromsanta@gmail.com or call (618) 288-2390
